Captain vs President  
Sunday, 5<sup>th</sup> May 2024

Again fine weather greeted us for Sundays Captain v Presidents day, but in saying that I'm sure farmers and pretty much everyone else would agree in saying some rain would be nice.

Unfortunately numbers were well down with only 12 players turning up to play the match play format. We also decided to add a Stableford competition as well as the match play competition.

Kevin Jones continued on with his fine form scoring 39 points to take out the win in the stableford competition with the next best being Nick Vine coming in as runners up with a score of 33.

In the Captain v President competition it was Trent Crooks captains team who came away with the bragging rights them winning 5 matches to the presidents team 1 match. In the actual Captains v President match Trent Crook and Deane Munro had a ripper match that needed 2 play off holes to determine the winner with the match being all square after 18 holes. Trent took out the win on the second play off hole.

Results in the other matches were:

- Kevin Jones (Cap) def Nick Vine (Pres) 2/1
- Peter Brady (Cap) def Paul Dean (Pres) 2/1
- Scott Brady (Cap) def Tanya Doyle (Pres) 7/6
- Gil Grace (Pres) def Peter Davey (Cap) 7/6
- Bailey Harker (Cap) def Will Nihill (Pres) 7/6

This Sunday it's a Singles Stableford competition. 11.30 assembly for a midday start.
