Captain vs President
Sunday, 7th May 2023

A cool southerly breeze greeted golfers for Sundays Captain v Presidents day. Sixteen players came along with half representing Trent Crooks captains team and the other half representing Deane Munro's presidents team.

There was also an added incentive for players to win their match with the winners advancing into a knockout match play competition.

After checking, and re checking the score cards it was Deane's Presidents team who walked away with bragging rights with their team having 5 winners and the Captains team having 4 winners. There was one nearest the pin and that was Roy Latta on the 2nd.

The players that won their match to advance into the next round of the match play knock out competition were Trent Crook, Ricky Boyd, Paul Dean, Lorey Rogers, Lyndal Munro, Don Hahnel, Percy Burns, Scott Brady and Nick Monaghan.

If you were unable to play on Sunday, but keen to get into the knockout competition, and can get a hit in this weekend then let us know. We will see if we can match you up with an opponent.
