

Ouyen Golf Club

Single Stableford

Sunday, 16th July 2023

We could not have got better conditions for Sundays single stableford event. The sun was shining and barely any wind, and the course could not be in any better condition.

Just on 18 golfers made the most of the great conditions, in A grade Lorey Rogers had a terrific day with a score of 39 to take the win. Ricky Boyd was runners up with 33.

In B grade Dallas Plant had his first win with a score of 36, runners up was Tim Vine with 34. No one was good enough to get one close enough for a nearest the pin.

In the knockout match play competition Percy Burns and Paul Dean recently had a tight match, their match was square after 18 holes, then Paul won on the 2nd sudden death play off hole to advance into the semi final. He plays the winner of the quarterfinal match between Ricky Boyd and Rodney Poole.

This Sunday it's a single stroke par competition (or possibly stableford). 11.30 assembly for a midday start.

16/07/23
