

Ouyen Golf Club

Annual Tournament Mens 27 Holes Stroke Sunday, 9th July 2023

On Sunday the tournament rolled on into the 27 hole single stroke day sponsored by Elders. A reasonably strong at times north west wind tested the 21 golfers who took on the 27 hole challenge. Once again it was great to see some visitors travel from places such as Berriwillock, Manangatang, Hopetoun, Adelaide and Mildura.

Mike Walch of Patchewollock came away with the win in the A grade scratch with a score of 122, runners up there was Scott Brady with 127, third was Brendan Dean on countback also with 127.

B grade the scratch event was won by Jarn Clarke with 144, runners up was Trent Crook with 146 and third was Liam Vine with 151.

In the handicapped events A grade was won by Mike Walch with 105.5, runners up was Ron Thoulas with 109 and third was Rodney Poole with 112.

In the B grade handicap event the winner was Liam Vine with 104.5, runners up was Trent Crook with 107 and third was Jarn Clarke with 114.

The NAGA winners were Sam Magnasalis in A grade with a net score of 145.5 and H Keogh in B grade with a net score of 128. Nearest the pin winners were G Smith on 2 and Trent Crook 5.

So that raps up a fabulous weekend of golf for our tournament, thanks to everyone who made it possible from our team of green keepers, the food cooks, ladies in the kitchen, bar staff and the committee that make it happen.

Next week it's a single stableford competition, 11.30 assembly for a midday start. This is a perfect opportunity to get some of the match play games played, we are running out of weeks to get it done, and there is still a bit to be played there. So if you're alive in that still please get along, or organise a match another time with your opponent.
