

Ouyen Golf Club

Single Stableford

Sunday, 23rd July 2023

A cool south westerly greeted golfers on Sunday for a single stroke event. Numbers were down with just 11 players having a hit.

After being runners up a few times Percy Burns was able to get his first win under his belt with a good stableford score of 39. Runners up was Dallas Plant who was just one point back with 38. No one was good enough to get one on the sand off the tee on a par 3 so there was no nearest the pins.

In the match play competition Ricky Boyd and Rodney Poole played their quarter final match in conjunction with their single stroke competition with Rod winning that 2/1. This puts Rod in a semi final against Paul Dean.

This Sunday it's the first of our big charity weekends with the North West anti cancer day being played. The format is 4 person Ambrose, it's always a great day. So organise yourself a group, or turn up and we will put you in a group. It's sure to be a great day.
