

Ouyen Golf Club

Single Stableford
Sunday, 14th May 2023

With Sunday being Mother's Day numbers were unsurprisingly down for a single Stableford competition that was played in perfect conditions.

Just 9 players headed out for a good day of golf. Scott Brady came away with the win playing to his handicap with a score of 36. Runners up was Deane Munro with 31 finishing ahead on countback in front of Liam Vine who also had 31. The unlucky NAGA winner was Paul Dean with a score of 20.

One match was played over the weekend in the inaugural knockout match play championship with Rodney Poole defeating Ben McDougal 3-2. Rod advances into the next round.

This Sunday is our first honour board event of the season with the mixed American competition the Johnstone memorial taking place. This is the main event for the Sunday so it would be good to get as many mixed partners playing as possible. For anyone unable to find a partner it was decided we will play an Ambrose competition as well, any combination number. Not the single Stableford competition as stated in the syllabus. So there is something for everyone this Sunday.

Also if you are alive in the match play competition and can play this weekend, either Saturday (there is a bye in footy) or Sunday see if your can arrange with you opponent to get it done. Check out the golf FB page for the draw.
Good golfing to all.
