McGregor / O'Callaghan – 27 Holes 4BBB Par

Sunday, 11<sup>th</sup> June 2023

Just on 14 players took up the 27 hole challenge on Sunday with the double honour board events the McGregor/O'Callaghan competitions being played.

Our luck with the weather continued with once again perfect weather conditions greeting golfers and the course is certainly looking fantastic after all the rain.

It was great to have Donald and Alec McGregor in the clubhouse after play to present the winners with their prizes.

Scoring proved tough for most however not so for Brent Morrish and Deane Munro who ran away clear winners in both the McGregor and O'Callaghan competitions. In the McGregor competition which is a par bogey comp they had a score of +14, 10 clear of the next best who were the pairs Nic & Tim Vine and Gary "Rolla" Burns & Derry Monaghan. In the O'Callaghan event which is a stroke competition Brent & Deane won with a score of 114, runners up were the pair of Don Hahnel and Steve Simmonds with a score of 124. Unfortunately no nearest the pins for the day but the absolute highlight was Brent Morrish's eagle on the par 5 13th. After a great drive, and an even better second shot he sunk a nice 3-4 meter putt to make his day.

This Sunday is the first round of the club championships, and the JK Monaghan handicap event. This will run over the next 3 weeks with A grade, B grade and C grade titles up for grabs. There will also be a daily competition on each week.

It would be great to see a few who have played in some recent Ambrose competitions take the next step in golf and take up the challenge of a single stroke competition. It's a 11.30 assembly with a midday start.
