

## Ouyen Golf Club

McGregor / O'Callaghan

Sunday, 1<sup>st</sup> June 2025

It was pretty much a perfect day for golf on Sunday with the combined honour board competitions the McGregor/O'Callaghan competitions being played.

Just on 19 players took on the 27 hole challenge with some good scores being posted. In the McGregor competition which is a par/bogey comp, Nick Vine made it 2 wins in a row after winning the Golden putter last week. This week he teamed up with Peter Brady and they shot a ripping score of +16.

Runners up on countback was the pair of Gary "Swolla" Barnes and Jack Morrish with a score of +8. They just pipped Todd Barker and Liam Vine who also had +8.

In the O'Callaghan competition, which is a scratch stroke competition it was the pair of Scott and Peter Brady that came home winners (Peter played with 2 partners due to there being an odd number in the field). They had a stroke score of 119 after 27 holes. Runners up were the pair of Jack Cook and Tom Grigg by just 1 shot with 120. Nearest the pins were Nick Vine on 2, Don Hahnel on 5, Peter Davey on 14, and Gil Grace on 16.

It was great to have Donald McGregor come along for presentations representing the McGregor family. Donald always has some great stories to tell us, and once again he did not disappoint.

Thanks to Reg Dean for cooking the hamburgers for us at the Taj Mahal, and also to the ladies that made us some delicious sangas for us to enjoy after long days on the golf course not only on Sunday but last Sunday too.

This weekend with it being the Kings birthday weekend, it was decided there will be no competition on Sunday. Naturally if anyone wants a hit the course is open.

Next Sunday will be round 1 of the club championships. Always a good 3 weeks of golf. There will be daily competitions on each of these 3 weeks too.
