Calling Through

THE LOWEST HANDICAPPED PLAYER IS THE CAPTAIN OF ANY FORMATION AND IS RESPONSIBLE FOR MAINTAINING ETIQUETTE AND PROCEDURE.

Calling Through: If you have lost a ball or are for any other reason unable to maintain your place in the field, never hesitate to call the following players through. This is their right and should always be voluntarily and cheerfully given. If this right, when due, is not given after a reasonable opportunity has been given for so doing, it should be demanded in the traditional way by calling "fore" and then awaiting signal.

Slow Play: Slow moving players **MUST** call faster moving players through.

It is a traditional rule that following players are called through if they are moving faster and **SHOULD ALWAYS** be called if the preceding players are a fairway's length ahead.

Remember: Your position in the field is directly behind the group in front of you; not directly in front of the group behind you.
